

Summer Camp Medicine Information

If you are sending prescription medication to camp with your child, please fill out a Medication Information Slip below. Please include **each** slip with **each** medication when you arrive at camp.

All medications are turned over to the Health Supervisor upon arrival at camp, and are administered by the Health Supervisor throughout the week. Medication must be in the original container with pharmacy name and phone number listed.

Regarding over the counter medication:

The Camp Infirmary operates under Standing Medical Orders of a physician. These orders specify which over-the-counter medications the health supervisor (nurse) is allowed to administer. These over-the-counter medications include pain relievers, allergy medications, cold medications, stomach medications, among others and are kept in supply in the camp infirmary. Phantom Ranch cannot accept over-the-counter medications from you to be administered to your child while at camp, we will provide the necessary medication as provided in the Standing Orders.

Phantom Ranch, W309 S10910 Hwy I, Mukwonago, WI 53149

Phone: 262-363-6940 ♦ Fax: 262-363-6941
